github.com/firecracker80

Software developer and army veteran, currently participating in a coding bootcamp with Code Fellows.

TECHNICAL SKILLS

Languages: HTML, CSS, and Javascript

Skills and Tools: Git, GitHub, VSCode, UX/UI, Canva, Builderall

PROJECTS

JASY Destinations - <https://github.com/TeamJasy>

June 2022

- We built a vacation recommendation app to reduce the stress of planning and information overload.
- Built using HTML, CSS, and Javascript in the form of a questionnaire.

Bus-Mall - <https://github.com/firecracker80/bus-mall>

May 2022

- Created a survey site for new products that would then reflect a chart of how many times a product was chosen.
- Built using HTML, CSS, Javascript, and the ChartJS library.

Cookie Stand - <https://github.com/firecracker80/cookie-stand>

May 2022

- Created a site for a cookie shop that included a table of all the shops and a request form.
- Built with HTML, CSS, and Javascript.

EXPERIENCE

Digital Transformation Consulting and Solutions - CEO

September 2021 – Present

- Design and maintain 7 websites and 1 sales funnel.
- Designed 47 flyers for 7 small businesses.
- Currently collaborating with a team of brand strategists to improve a client's brand.

US Army Reserve - Preventive Medicine Specialist

Jan 1998 – Jun 2015

- Inspected facilities on 3 military bases.
- Conducted medical threat evaluations and STD counseling.
- Deployed to Iraq as a Military Police Sergeant for 14 months.

EDUCATION

Code Fellows - Seattle, WA
